2

Greetings

⇨ When people meet for the first time on business, business cards are exchanged.

Dōzo yoroshiku
onagai-shimasu.

When you move house, it is polite to introduce yourself to your new neighbours and give them a ⇨ small gift, such as a towel, soap or sweets.

19

IV. Grammar Notes

2

1. kore/sore/are

Kore, sore and are are demonstratives and work as nouns.

Kore refers to something near the speaker.

Sore refers to something near the listener.

Are refers to something distant from both the speaker and the listener.

- ① Sore wa jisho desu ka. Is that a dictionary?
- ② Kore wa dare no kasa desu ka. Whose umbrella is this?

2. kono N/sono N/ano N

Kono, sono and ano modify nouns.

- ③ Kono hon wa watashi no desu. This book is mine.
- ④ Ano kata wa donata desu ka. Who is that [person]?

3. sō desu

In a noun sentence, the word sō is often used to answer (in the affirmative) a question requiring an affirmative or negative answer. The expression hai, sō desu. can be used

- ⑤ Sore wa jisho desu ka. Is that a dictionary?
.....Hai, sō desu.Yes, it is.

Sō is not usually used when answering a question in the negative; it is more common to say chigaimasu (No, it isn't), followed by the correct answer.

- ⑥ Sore wa Mirā-san no desu ka. Is that Mr. Miller's?
.....lie, chigaimasu.No, it isn't.
- ⑦ Sore wa shāpu-penshiru desu ka. Is that a mechanical pencil?
.....lie, bōrupen desu.No, it's a ballpoint pen.

4. **~ ka, ~ ka**

This is a question asking the listener to choose between two or more alternatives for the answer. In answering this type of question, it is usual to state the chosen alternative, without saying either hai or iie.

- ⑧ Kore wa "9" desu ka, "7" desu ka. Is this a 9 or a 7?
 "9" desu. It's a 9.

5. **N₁ no N₂**

It was explained in Lesson 1 that no is used to connect two nouns N₁ and N₂ when N₁ modifies N₂. The present lesson explains some other uses of no.

- 1) N₁ explains what N₂ is about.

⑨ Kore wa konpyūtā no hon desu. This is a book on computers.

- 2) N₁ indicates who owns N₂.

⑩ Kore wa watashi no hon desu. This is my book.

6. **no substituting for a noun**

No can be used instead of a noun that has already been mentioned (e.g. instead of kaban in example ⑪). If placed after the noun (as in example ⑪), where it comes after the noun Satō-san), it enables N₂ (kaban) in N₁ no N₂ (Satō-san no kaban) to be omitted. No is used as a replacement for things but not for people.

- ⑪ Are wa dare no kaban desu ka. Whose bag is that?
 Satō-san no desu. It's Ms. Sato's.
- ⑫ Kono kaban wa anata no desu ka. Is this bag yours?
 Iie, watashi no ja arimasen. No, it isn't [mine].
- ⑬ Mirā-san wa IMC no shain desu ka. Does Mr. Miller work at IMC?
 Hai, IMC no shain desu. Yes, he does.
 x Hai, IMC no desu.

21

7. **o-**

The prefix o- is attached to words when the speaker is speaking politely (e.g. [o-]miyage, [o-]sake).

8. **sō desu ka**

This expression is used by the speaker to acknowledge some new information he or she has just been given. It is pronounced with a falling intonation.

- ⑭ Kono kasa wa anata no desu ka. Is this umbrella yours?
 Iie, chigaimasu. Shumitto-san no desu. No, it isn't. It's Mr Schmidt's.
 Sō desu ka. Oh, I see.
